9th June 2017

Dear Parent/ Carer,

As we approach the end of this academic year and plan for next year, we have decided that we will change the composition of the classes from Year 1 upwards.

Over time changes take place within classes and the dynamics within and between the classes can therefore change so we believe that it would be good to look afresh at who is in each class. For example, there may be marked imbalances in classes between boys and girls.

We believe that this will be very beneficial for our children but if there are particular concerns or points that you would like us to consider for your child, please return the slip below or speak to your child's classteacher or Assistant Headteacher (Ms. Eckley-Gardner Yrs. 1 and 2, Ms. Cartwright Yrs. 3 and 4, Ms. MacAtear Yrs. 5 and 6) about anything that you feel we should consider.

Teachers will also work with their children to take into account the children's views and will work as phase teams with their Assistant Headteachers to compose the new classes.

The children will then have the opportunity to meet their new class and their new classteacher on 29th June.

If you would like to discuss this further, please do not hesitate to contact me or Ms. Rees or Ms. Lynch.

Yours sincerely,

Tim Mamak
