22<sup>nd</sup> January 2018

Dear Parent/Carer

**E – SAFETY WORKSHOP FOR PARENTS**

Young people use the internet for a variety of activities, including Games, Research, Homework and Social Networking. Whilst they are confident with the technology, children are not always able to make the right decisions about what they access, who they talk to and what they might post about themselves and others on the internet.

Although the school teaches pupils e-safety as part of the curriculum, pupils need to be empowered to keep themselves safe. It is essential that parents are aware of the risks and what they can do to develop a culture of e-safety at home as they have a vital role to play in helping to keep their child safe online.

As part of our commitment to safeguarding our pupils and working with you, we have organised an e-safety workshop for parents.

We would like to invite you into the school hall on **Monday 12<sup>th</sup> February at 3.45pm.** This event will support our e-safety internet day and we will be running assemblies and lessons to promote safe use of the internet on all devices to the children.

We are hoping as many parents/carers will attend as possible and we would be grateful if you could indicate on the slip below if you will be attending. Please note, this Parent workshop is **not** suitable for children, so we ask for children not to attend.

Yours sincerely

Mrs H Lynch  
Deputy Headteacher

✂.....

**E-Safety Workshop for Parents**

I/We will be attending the E-Safety Workshop on 12<sup>h</sup> February

Signed.....Parent/Carer

Child's Name..... Class.....

***Please return your reply slip to the school office, thank you.***
