28<sup>th</sup> November 2017

Dear staff and pupils,

Thank you so much for your generous donation of £251.39 to Breast Cancer Haven after having your Pink Day.

Here at Breast Cancer Haven in Hereford we rely solely on the local community to fund our service to support women through their breast cancer treatment.

When breast cancer tries to rob a woman of her individuality, her confidence or her strength, we provide the tailored package of emotional, physical and practical support that helps her hold on to them.

In the words of one of our visitors:

*'The NHS saved my life and Breast Cancer Haven enabled me to live it again.'*

I would like to take this opportunity to thank you again for your support.

With thanks and best wishes.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Alison Palfrey".
