

Leominster Primary School: Sports Premium Plan 2016-17- Outcomes and Impact

What is the Sports Premium?

The PE and Sports Premium grant is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The Government is spending over £450 million on this funding over the three academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016. It has been announced that this funding is going to continue for the foreseeable future. The funding is jointly provided by the Department for Education, Health and Culture and Media and Sport. It will see money going directly to primary school head teachers to spend on improving the quality of sport and P.E; each school will receive £8,000 plus an extra £5 per pupil per year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches. At Leominster Primary School we recognise the contribution of P.E to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children. During 2016-17 we received £10,385 and used it as follows:

Activity	Cost	Outcomes	Impact
Playground resources (KS1)	£1000 (to be totalled at the end of the year).	The increased quantity and quality of stock will improve the experiences of the pupils. Extra play equipment for use during lunchtimes will give our pupils the opportunity to keep active and develop/improve skills. Collaborative play will benefit all children developing their ability to share and to be creative in their play. Play equipment will be replaced/replenished as required throughout the year to ensure adequate and safe equipment for the use of pupils throughout the school day and during after school clubs.	Purposeful play has increased. Lunch time supervisors have reported that equipment is enhancing creative play and engagement during lunch time. Children have commented how they have enjoyed playing with the equipment and how they would like more balls.
Additional purchases as required	-		Further equipment was ordered by using Sainsbury's vouchers. Kit and more equipment was provided by the FA.

Lacrosse Sets	£216	Pupils will have the opportunity to experience a new sport as an after school club activity and during games lessons within the school.	Ordered. Being integrated into the curriculum 2017-18.
Lunchtime staff training (PBES)	£40	Lunchtime staff becoming more confident in their ability to engage pupils in a variety of activities, keeping them active.	Staff undertook the training. Resources were given. Staff are now organising games and children mixing socially. Lunch supervisor RW has said, "behaviour is better because there is focus on a game".
Rugby Affiliation/ Herefordshire FA Affiliation	£50	Affiliation allows our pupils to compete against other schools within the county. This will enable them to develop a real sense of belonging to a community and a desire to compete fairly as part of a team.	Entry into six tournaments with various teams taking part. Just over 60 children participated in the events.
Swimming	£2000	Supplementary payment to sports coach to support the teaching team during swimming sessions enabling children to become competent, confident swimmers.	Children have had the opportunity to achieve 25m badge. The impact 16-17 was not as high as expected and we are working with the provider to review this in 17-18
Sports Coach	£4000	A sports coach will continue to work with SEN/MH children who have difficulty accessing sport because of their specific needs. This will work as a platform to improve their physical and social development. Evidence from previous year has shown an increase in confidence and self-esteem and the increased ability of those children to work collaboratively with peers. The provision of daily after school clubs, led by the sports coach, to enable an increase in the number of children participating in a variety of sports including the targeting of Pupil Premium pupils. Children of all abilities will be catered for, encouraging the development of an enjoyment of the participation in sport. Offering a range of clubs will enable all children to join in and experience a new activity. The sports coach will support more able pupils during games lessons to further develop their skills. He will continue to supervise lunch time activities to encouraging children to participate in a variety of games and become more active during the school day.	JE ran several after school clubs from football to multiskills and rugby. These were with different age groups and genders. Many children took part in these clubs (registers kept) and mixed abilities and genders took part. Kit was provided for those without any, allowing them the opportunity to take part. This enabled children to participate in sporting events out of school. JE also ran multiskills for the targeted children during the school day. These children increased in confidence and had the opportunity to improve their physical and social skills. Horse riding gave children an experience to take part in a new activity and raise self-esteem. JE has supported staff by giving advice and demonstrations.
Entry Fees for events.	£60	Pupils provided with opportunity with county events, developing skills and experiencing competition. Rugby, Cricket and It's a Knock Out.	Children were able to experience events outside of school.

Training Courses for staff	£545	Training will result in the provision of high quality teaching and learning through professional development for teaching staff. Individual members of staff will be targeted because of either their lack of confidence when teaching a specific sport, or to further their skills within a sport to enable them to support/coach other members of staff.	KE attended subject leader course £300. Supported with understanding of the PE co coordinator role. Real gym £245 for JE. Gave JE ideas and an insight to the scheme.
Dance Workshops (Dancefest in Education)	£419.50	Pupils will have the opportunity to experience a new activity and work collaboratively towards a public sharing piece. This will enable pupils to work as a team involving children of all abilities and build confidence.	Children took part in the dance workshops and were able to perform this.
Coach travel to various tournaments e.g. Mitchell Hamer and Summer Games Competitions	£600	Payment for transport will enable pupils to compete in a number of tournaments, in a variety of sports. They will experience playing competitively through being involved in large events, developing a sense of fair play and good sportsmanship. We aim to increase our involvement in the Schools Games Scheme, building on our bronze mark in the last academic year.	Various children benefitted from attending tournaments. Summer Games – some children, who are not regularly part of competitive teams, took part.
Diesel for minibus to transport pupils to sporting fixtures	£115	Payment for fuel will enable pupils to be involved in regular friendly matches against local schools in a number of different sports.	Attended 23 fixtures. 200+ children benefitted.
PE Planning subscription and PBES	£215	Use of a whole school scheme will allow for consistency within year groups and across school years to benefit pupils' progression and evidence such.	Decided to adapt to new scheme 'Real P.E' but resources still available to dip into for various lessons and resources. Advice given on PE regarding use of sport grant and equipment.
PE Mats holder x2 plus new	£287.94	Safe storage of mats used by the children.	Mats have been looked after, are more accessible and safe to use.
Repair of PE equipment	£240.37	Maintenance and repair of PE equipment will ensure its safe use by pupils during lessons.	Gymnastics now repaired and in use by all classes.
