9th June 2017

SAVE LIVES

Dear Parents/Carers,

You may be aware of the recent terrorist attacks, one in Manchester Arena at Ariana Grande's concert on 22nd May 2017, and more recently in London on 3rd June 2017. We have together, as a group of friends, decided to make a difference and help the people and families that have been affected.

In order to raise money, we would like everyone to come to school wearing **non-uniform on 22nd June**, exactly one month after the Manchester attack, and wear either bright or rainbow colours. This will show that we are strong, brave and united and that nothing can change that. There will also be a cake sale at break time and we would love some cake donations on the morning of the 22nd to help support this cause.

Please bring in a donation of £1 for non-uniform and 50p for the cake sale.

All the money will go to a suitable charity; it would mean the world to us if we can make a difference.

Yours sincerely

Mrs H Rees
Deputy Headteacher
