#### **Background**

This Preventing Radicalisation Policy is part of our commitment to keeping our pupils and the school community safe. Since the Education and Inspections Act 2006 schools have a duty to promote community cohesion. Over the last few years, global events have led to a growth of extremist viewpoints, including advocacy of violent extremism.

Schools have an important part to play in both educating children and young people about extremism and recognising when pupils start to become radicalised. In March 2015, new statutory duties were placed on schools by the Counter Terrorism and Security Act 2015 which means that schools must work to prevent children being drawn into extremism. Safeguarding children from all risks of harm is an important part of a school's work and protecting them from extremism is one aspect of that.

At our school we ensure that through our vision, values, relationships and teaching we promote tolerance and respect for all cultures, faiths and lifestyles. The Governors also ensure that this ethos is reflected and implemented effectively through school policy and practice and that there is an effective suite of safeguarding policies in place to safeguard and promote pupils' welfare.

We have a duty to prepare our pupils for life in modern Britain and to keep them safe. Everyone at our school has the right to learn and work in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

#### **Statutory Duties**

The duty to prevent children and young people being radicalised is set out in the following documents.

- Counter Terrorism and Security Act 2015
- Keeping Children Safe in Education 2016
- Prevent Duty Guidance 2015
- Working Together to Safeguard Children 2015

### Definitions

Extremism is defined in the 2011 Prevent strategy as vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.

Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

British values are democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

### Roles and Responsibilities

#### Role of the Governors

It is the role of the Governors to ensure that the school meets its statutory duties with regard to preventing radicalisation.

The school has a nominated Safeguarding Governor (Mr T. Stiles) who will liaise with other staff about issues to do with protecting pupils from radicalisation.

#### Role of the Safeguarding Governor

It is the role of the Governor to:

- ensure that the school and its staff respond to preventing radicalisation
- ensure that the school's curriculum addresses the issues involved in radicalisation
- ensure that staff conduct is consistent with preventing radicalisation

#### Role of Designated Safeguarding Lead (In our case this is Mrs H. Lynch, Deputy Head)

It is the role of the Designated Safeguarding Lead to:

- Undertake and deliver Prevent awareness training
- ensure that staff understand the issues of radicalisation, that they are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns
- receive safeguarding concerns about pupils who may be vulnerable to the risk of radicalisation or are showing signs of radicalisation
- make referrals to appropriate agencies with regard to concerns about radicalisation. This is done via the same channels as Child Protection.
- liaise with partners, including the local authority and the police

#### Role of staff

It is the role of staff to understand the issues of radicalisation, to ensure that they are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns.

### Curriculum

We are committed to ensuring that our pupils are offered a broad and balanced curriculum that aims to prepare them for life in modern Britain. We encourage our pupils to be inquisitive learners who are open to new experiences and are tolerant of others. Our values support the development of the whole child as a reflective learner within a safe respectful

learning environment. Teaching the school's core values alongside the fundamental British values supports quality teaching and learning, whilst making a positive contribution to the development of a fair, just and civil society.

### Internet Safety

The internet provides children and young people with access to a wide range of content, some of which is harmful. Extremists use the internet, including social media, to share their messages. The filtering systems used at our school blocks inappropriate content, including extremist content. Our new software, DNA, is a tool to keep students safe and secure while they are assessing online resources for learning. Net support DNA is designed to promote digital monitoring and to encourage pupils and staff to act responsibly online. This feature provides LPS with insight into and alerts from any activity by a pupil or staff member that might suggest they are engaged in activity that would place them at risk. Where staff, pupils or visitors find unblocked extremist content they must report it immediately to a senior member of staff. Pupils and staff know how to report internet content that is inappropriate or of concern.

### Staff Training

Staff will be given training to help them understand the issues of radicalisation, so that they are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns. This information also forms part of the safeguarding training. Staff have completed on line Prevent training.

### Safer Recruitment

We ensure that the staff we appoint to the school are suitable, our recruitment procedures are rigorous and we follow the statutory guidance published in part 3 of Keeping Children Safe in Education 2016. DBS checks are carried out in accordance with up to date guidance on persons having regular unsupervised access to children.

### Visitors

Visitors to the school are made aware of our safeguarding and child protection policies on arrival at the school and are given information about what to do if they are concerned about any aspect of child welfare.

We undertake due diligence to ensure that visiting speakers are appropriate. Speakers will be supervised at all times and will not be allowed to speak to pupils without a member of staff being present.

Staff must not invite speakers into schools without first obtaining permission from the Headteacher.

### Signs of vulnerability

There are no known definitive indicators that a young person is vulnerable to radicalisation, but there are number of signs that together increase the risk.

Signs of vulnerability include:

- underachievement
- being in possession of extremist literature
- poverty
- social exclusion
- traumatic events
- global or national event
- religious conversion
- change in behaviour
- extremist influences
- conflict with family over lifestyle
- confused identify

- victim or witness to race or hate crimes
- rejection by peers, family, social groups or faith
- isolation from peers
- becoming withdrawn in class
- disengagement from work
- aggressive behaviour towards peers
- rebelling against school rules
- attendance – change in pattern

### Recognising Extremism

Early indicators of radicalisation or extremism may include:

- showing sympathy for extremist causes
- glorifying violence, especially to other faiths or cultures
- making remarks or comments about being at extremist events or rallies outside school
- evidence of possessing illegal or extremist literature
- advocating messages similar to those of illegal organisations or other extremist groups
- out of character changes in dress, behaviour and peer relationships (there are also very powerful narratives, programmes and networks that young people can come across online so involvement with particular groups may not be apparent)
- secretive behaviour
- on-line searches or sharing extremist messages on social profiles
- intolerance of difference, including faith, culture, gender, race or sexuality
- graffiti, art work or writing that displays extremist themes
- attempts to impose extremist views or practices on others
- verbalising anti-Western or anti-British views
- advocating violence towards others

Also consider families at risk:

- Not buying into school ethos
- Questioning policies
- Keeping apart from other parents

### Referral Process

Staff and visitors to the school must refer all concerns about pupils who show signs of vulnerability or radicalisation to the Designated Safeguarding Lead using the usual methods for reporting other safeguarding concerns. When there are significant concerns about a pupil, a referral to the channel programme will be made to the appropriate body.

### Training

The Headteacher, senior leaders, Teachers, Teaching Assistants and the Chair of Governors, who is also the safeguarding Governor, have undertaken and passed the online training module for the Prevent Duty during 2015-1026 academic year. It is our expectation that all new teachers will be trained in a similar way.

The DSL has disseminated information to the rest of the staff who all have a copy of the Prevent Duty for reference.
