

Making a lifetime
of difference to
children in schools

Mr T Mamak
Leominster Primary School
Hereford Road
Leominster
Herefordshire

6 March 2017

Dear Mr. Mamak,

I wanted to write to thank you, and everybody at Leominster Junior School, so much for choosing to support Place2Be and for raising a fantastic £383. We are so grateful for your belief in and support of our work in 282 schools around England, Scotland and Wales, reaching more than 116,000 children.

Place2Be is the leading national children's mental health charity providing in-school support and expert training to improve the emotional wellbeing of children, families, teachers and school staff. By providing support to the whole school community we help to build mentally healthy schools where all children can thrive. Our work with children has a tangible impact on their lives: it can be helpful in addressing the causes of mental health problems early, helping children to access learning and building their resilience to cope with challenges.

A recent speech from one of our school leaders highlights how valuable it is for children to have support available when they need it most:

"Most of us are lucky enough to have the support of our families and our friends and to have gone to a school that prepared us well for the challenges that life brings. But sometimes, through no fault of our own, these systems of support simply aren't there. How wonderful to have an organisation like Place2Be – just there in school: local, familiar, capable, reassuring, accessible, ready to turn a trauma from something that might tear us apart into an experience that we can understand and move forward from."

Thank you for your generosity, helping us to continue our vital work.

What a phenomenal amount to raise! Thank/ou

Olivia Curno
Director of Fundraising
Olivia.curno@place2be.org.uk

So much to all of the pupils
at Leominster for enabling us to be
there for more vulnerable children.

With best wishes,

Olivia
