Congratulations to 2E who were our School Champions last week. 

Out of 22 classes we had **5** on target over **96%**, **12** Above **90%** and **5** below **90%**

Herefordshire Schools' attendance is 94.1%. This is above the national average of 93.7%. Our YTD attendance is a concern as we are below both of these at **93%**.

We continue to work with all parents to ensure that children are in school as it is important for their achievement, wellbeing, and wider development.

#### Persistent Absence

**We have over 150 children in this category!**  
**Is your child's absence <90%?**

**Referrals have been made to the Local Authority. Fines are now actively being issued and we continue to work closely with them.**

#### Should I send my child to school?

As a parent, it can be difficult to know when to send your child into school if they are feeling unwell or a mildly anxious. This time of year, there are always many illnesses and ailments going around the community.

It's usually safe for parents and carers to send their children to school with mild illnesses, like a minor cough, runny nose or sore throat. However, children should stay at home if they have a high temperature of **38°C** or above.

For most pupils, the best place to be during term-time is in school, surrounded by the support of their friends and teachers. This is important not just for your child's learning, but also for their overall wellbeing, wider development and their mental health.

Please contact Sarah Bentley if you have any concerns or require support with your child's attendance.
