

## Year 5 Summer Term Homework

### MATHS

In year 5, pupils should know all of their multiplication and division facts up to  $12 \times 12$ .

If they are not completely secure with all of these, it is essential that they continue learning and practising these, at home as well as at school.

### English - Reading

Please continue to actively encourage and support your child's reading journey by providing them with the time and comfortable space to read for pleasure - and to read with them whenever you can.

### History

#### ***Why were the Romans so powerful and what did we learn from them?***

Your task this half term is to produce a piece of work linked to our history topic - Why were the Romans so powerful and what did we learn from them?

You could complete any of the following ideas or an idea of your own: -

- Get Arty: Design and create your own Mosaic, shield, or helmet.
- Make a poster, leaflet or 3D model on: Life as a gladiator! Or The Rise of Boudicca!
- Do a sketch of: A Roman soldier, A Briton/Celt, A Roman God/Goddess, The Colosseum.
- Create a PowerPoint on the Roman invasion of Britain.

**Due in date:** Week beginning **Monday 20th May 2024**
