Homework

Please encourage your children to read as much as possible at home - recording reading comments in their reading journals regularly (parent comments/signature at least three times a week please).

Children should read their accelerated reading book as much as possible but can also read other books that they enjoy if they wish to do so.

It is also vitally important that you support your children with any spellings or times tables they may need to learn.

Each half term we will also set a task around our current topic.

Please ask your children if they have any homework and encourage them to complete it – we greatly value your support in this area.

Reading

We will soon be assessing your child's reading and phonic knowledge.

Children should be bringing their book bag to school every day, which will soon include their reading book and reading journal.

The books will be changed regularly and we will be able to read any comments you have made in their journals.

Please read as often as possible with your children.

Although we do not comment on your child's reading in their journal, please be assured we do listen to your child read at least once a week.

Physical Education (P.E.)

Please help us to keep your children fit and healthy by ensuring that they bring their P.E. uniform in on their P.E. days.

Year 3 have P.E. on the following days:

3H – Monday (Outside)

3RM – Tuesday (Outside)

3C – Wednesday (Outside)

Reminders

If your child is **asthmatic** please could you ensure that they have an inhaler, labelled with their name, in school **at all times!**

As many of you already know, we are a healthy eating school and we would like to remind you that children should be bringing in healthy packed lunches and snacks. Now the children are in Year 3 they are NOT provided with fruit. Please feel free to send in a piece of fruit for your child to eat at break time, if you wish.

It is also very important children have a water bottle in school – we strongly encourage children to drink plenty of water throughout the day. Water helps keep them hydrated but also improves their levels of concentration and learning.

It is important to ensure all items of clothing are clearly labelled with your child's name and class. This includes coats and lunch-bags.

We have lots of events and parental engagement activities planned for this term. We have outlined them below. More information including dates and times will follow soon.

Special Events

The children will be taking part in a Medieval Day at school. They will have the opportunity to take part in activities all about Medieval life. The children can also dress up in Medieval costume. They could be a noble, peasant or even a knight!

Harvest Festival will take place and will be a celebration of giving and sharing in our community through a mix of storytelling and song.

During December we will be asking children and parents to indulge in their creative side as we take part in a range of festive craft. Get ready for lots of glitter and sparkle!

Parental Engagement

We would also like to invite you to a parental engagement on Accelerator Reader. This will be an opportunity for you to ask any questions you may have about the reading programme in KS2.
