

Year 4 Summer Term (1st half) Homework

Maths:

Continue to practise your times tables using the games on Purple Mash. You could also use the multiplication check on the 'Maths Frame' website to help practise your tables at speed!

Topic - Science - Electricity

You could:

- Research a famous scientist who created an important electrical invention and present your findings.
- Invent your own electrical item that has not yet been invented! Explain how it would be used, with pictures and labels.
- Write about how different your life would be without electricity. What would you miss the most?
- Create a poster explaining the difference between a complete and incomplete circuit.

Due date in: Friday 17th May

Reading at least 3 times a week. Parents must sign reading record books 3 times a week, to acknowledge you have read.

English

Please learn the spellings from your Read Write Inc group and practise the following year 4 words:

- accidentally
- enough
- grammar
- occasion
- particular
- strength
- therefore
- thought
- various
- women
